

What is the additional revelation God gave? It is the Book of Mormon.

(2) Discussion of the Book of Mormon

(a) Content of the Book of Mormon

It is an account of two immigrations to the American continent.

- i. Immigration of the Jaredites to the Western Coast of Central America in 2250 B.C.

Note: The prophet Ether recorded the history of the Jaredites 24 plates.

- ii. Immigration of Lehi and his family to the Western Coast of South America in 600 B.C.

(b) Superiority of the Book of Mormon

The Mormons believe the Book of Mormon is superior to the Bible for the following reasons:

- i. Because the Bible has errors in it whereas the Book of Mormon is free from error.
- ii. Because parts have been taken out of the Bible by the church whereas nothing has been removed from the Book of Mormon.
- iii. Because Joseph Smith said the Book of Mormon was superior to the Bible.

On Nove. 21, 1841 Joseph Smith made this statement: "I told the brethren that the Book of Mormon was the most correct of any book on earth, and the Keystone of our religion, and a man would get nearer to God by abiding by its precepts, than by any other book."
